

Wolff Bros. Supply, Inc. offers custom engraved plastic tags, signs and plates made to your exact specifications. Choose the shape, size (up to 8" x 10"), hole placement and more.

Capabilities:

- Company Logos - Will be outsourced to a third party
- Service Plates - Can go on panel boards, furnaces, condensers, generators, etc.
- Push Buttons - For controls
- Electrical Tags
- Warning Labels

All engraved tags, signs and plates are:

- Rowmark Ultramatte Front Plastic
- 1/16' thick
- 3M adhesive backing
- UV rated for indoor and outdoor applications
- Custom sizes available upon request

Available Colors:

A variety of colors and options are available. The first color listed will be the background color. The second color listed will be the color of the engraved text.
