

Terms and Conditions: This promotion is only open to residents of the United States (excludes Puerto Rico and U.S. territories) and Canada. The only Generac Generators that qualify for this special promotion are air-cooled home standby generators 10kW – 26kW. For a complete list of qualifying model numbers, please visit www.Generac. com/National. Purchases must be made October 13, 2025 – November 7, 2025. Void where prohibited, taxed or restricted by law. To qualify for the promotion, the Generac automatic home standby generator must be (1) a qualifying air-cooled home standby generator; (2) purchased within the promotion period and (3) installed and activated by January 30, 2026. The promotional offer is a free 10-year extended-limited warranty – a \$1,035 US/\$1,390 CAN value. Limit one per household. Warranty will be applied to generator at activation address, and will only be applied after the unit has been activated. Refurbished products are excluded from this promotion. Promotion redemptions must be electronically completed by 11:59 p.m. PST on January 30, 2026 via www.Generac.com/National. All redemptions are subject to Generac's final review and approval. If a redemption is incomplete or fails to meet any of the terms and conditions, the promotional items will not be issued. Proof of purchase showing the qualifying purchase/signed contract date must be submitted to receive this offer. Generac recommends customers keep a copy of the requested forms for their records. All submitted proofs of purchase become the property of Generac and will not be returned. Generac is not responsible for lost, late, or incomplete redemption forms. Please allow six to eight weeks for processing and an additional four to eight weeks to receive your free 10-year extended warranty certificate. This offer is not valid with any other Generac sponsored promotion. Generac reserves the right to rescind and/or change this offer at any time without notice. Additional terms and conditions may apply. For questions related to eligibility
